

Grade1 Entering Grade 2

Summer Reading List 2008

Dear Parents,

We encourage your child to read books over the summer. Please choose some books from the list below. You may choose other books, written by the same authors, on the below reading list.

After your child has read two books, please have your child fill out the attached book report for each book read. The book report form includes a section for your child to write a few sentences about the book. There is also a box for your child to be an illustrator and draw a simple picture.

Please return these two book reports to your child's second grade teacher in August. Have a great summer and have fun reading!

The First Grade Teachers
